OUTDOOR POWER PEDESTAL

OUTDOOR POWER THAT'S GOING STRONG

More power than ever for your outdoor spaces.

Permanent outdoor power doesn't have to fall short. Every facility needs power access outside, whether it's for events or maintenance equipment. But stubbing up conduit can be a flimsy quick fix that's unreliable and even dangerous—and many ad hoc projects can't handle the high amperages you need.

The Outdoor Power Pedestal is designed specifically for outdoor use and high amperage applications, accommodating 15-60A electrical devices. With a variety of configurations, you can select the right option for your facility in a stylish design that blends into the landscape.

FEATURES & BENEFITS

- Can accommodate 15-60A NEMA rated receptacles
 - 15-20A WR devices with while-in-use cover
 - Supports 30A Pass & Seymour Pin & Sleeve
 - NEMA watertight devices (including California Style 50A receptacles)
- Hinged cover with locking tab
 - Cover closes automatically to meet while-in-use requirements
 - Locking option prevents unauthorized access
 - Cover protects against weather (weatherproof cover not required)
- Outdoor-rated construction
 - Sheet metal form designed for durability in outdoor locations
 - UL Listed to NEMA 3R requirements to ensure optimal performance
- Standard height is 30" for discreet placement in the landscape architecture/foliage (available in custom heights)
- Durable, premium finishes
 - Available in two outdoor-rated finishes to complement your space design: black or silver
- UL Listed to Standard 1773
- 1-gang, 2-gang or pin & sleeve device plates
 - 2-gang available with divider for power and low voltage requirements

WHEN TO USE THE OUTDOOR POWER PEDESTAL

- Anytime you need a permanent power source outside
- For higher amperage applications (supports 15-60A electrical devices)
- When digging into the ground isn't possible (rooftops and more)
- Perfect for food trucks, outdoor events and facility maintenance equipment
- Ideal for the following applications: commercial, higher education, entertainment, hospitality, transit and parks
